MULTI SOFT

ART. NO:	GRIT:	TYPE:	QTY:
#126.251	P220	Medium	15 sheets/box
#126.252	P320	Fine	20 sheets/box
#126.253	P500	Super Fine	20 sheets/box
#126.254	P1000	Ultra Fine	20 sheets/box
#126.255	P1500	Micro Fine	20 sheets/box

MULTI SOFT is a highly flexible and versatile sandpaper designed specifically for sanding curves and hard to reach areas. Its unique foam backing coated with aluminum oxide abrasive and bonded by waterproof resins prevents rust and splintering, making these pads a great alternative to steel wool. Ideal for manual sanding of contours and hard to reach areas, these waterproof pads can be used wet or dry, providing an exceptionally smooth and uniform finish on a variety of surfaces.

FEATURES

- ✓ Highly flexible
- ✓ Suitable for all curves
- ✓ Does not form sharp edges
- ✓ Waterproof & rustproof
- ✓ Durable
- ✓ Can be used wet or dry

SECTORS OF APPLICATION

- ✓ Auto Repair
- ✓ Building & Decoration
- ✓ Paint Preparation
- ✓ Do It Yourself
- ✓ Vehicle Production
- ✓ Compound Materials

SUITABLE FOR USE ON

- ✓ Aluminum
- ✓ Non-ferrous metals
- ✓ Carbon steel
- ✓ Composite materials
- ✓ Plastic materials
- ✓ Gelcoat
- ✓ Soft / Resinous woods
- ✓ Synthetic materials
- ✓ Veneers
- ✓ Chipboard
- ✓ Copper / Brass / Bronze alloys
- ✓ Fiberglass

HEALTH & SAFETY

When using sandpaper of any type you should wear a dust mask and safety goggles. Goggles are preferable to glass because they keep the tiny particles of dust away from the eyes. Similarly, a dust mask will stop all the dust from entering your nose and mouth, leaving breathing a great deal easier.

PRODUCT DATA

Backing: Polyurethane Foam

Grain: Aluminum Oxide

Bonding: Waterproof Resins

Coating: Open

Size: 140 x 115 mm (5½ x 4½")

Thickness: 5 mm (3/16")

Grit: P220 - 1500

Color: Various shades of grey depending on grit
