

## TECHNICAL DATASHEET

### OPTIMAL SHINE

**ART. NO:** #120.106.1 (0.5L), #120.106.2 (1G)

OPTIMAL SHINE is a sprayable, hybrid wax designed for long lasting protection and enhanced detailing of a variety of interior and exterior surfaces including paintwork, plastic, vinyl, laminate and glass. Easy to buff with a fast clean-up time, OPTIMAL SHINE is not only a high performance maintenance polish, but it will not alter the sheen of the surface being coated. Removes fingerprints and effortlessly leaves a showroom shine finish on cured and new paint.

#### FEATURES

- ✓ Provides long lasting protection for up to 90 days
- ✓ Removes fingerprints
- ✓ Wet looking coatings are sealed with improved gloss levels
- ✓ Matte lacquers stay matte
- ✓ Easy spray on application makes predelivery clean-up a breeze
- ✓ Fast dry time
- ✓ Can be over-painted without adhesion loss or lacquer film distortion
- ✓ Water based wax

#### APPLICATION

Ideal maintenance polish for foiled cars, vehicles, showroom pieces, shop-fitting displays, high-end kitchens and industrial finishes. Can also be used for in-transit surface protection of furniture and industrial fitting applications.

#### RECOMMENDED BUFFING PAD

Use with our micro fiber cloth.

#### CONDITIONS OF USE AND CONFORMITY

*The before mentioned technical data and information, especially the recommendations for applying and using our products, are based on our current knowledge and experience when applied under normal conditions. In practice, the materials, surfaces or site conditions are so different that no warranty regarding the working results or liability, arising out of any relationship, can be inferred neither from this information nor from a verbal consultation, except we are charged with intent or gross negligence. In this case the user is obliged to prove that he has informed us about all points required for a proper and promising judgment in writing, in time and completely. Patent rights of any third party are to be observed. Furthermore, our general sales and delivery Terms and Conditions and the latest Technical Data Sheet, which should be demanded, apply.*

#### HEALTH & SAFETY

**See Safety Data Sheet and labels for additional safety information and handling instructions.** Directions for handling and waste disposal are in our Material Safety Data Sheet and the specifications of the Employers Liability Insurance Association for the chemical industry. Wear appropriate PPE such as eye and skin protection. In the event of injury, see first aid procedures on SDS. Always observe all applicable precautions and follow good safety and hygiene practices.

#### HANDLING

1. Directly spray surface or wet a clean microfiber cloth with OPTIMAL SHINE.
2. Wipe the surface with the microfiber cloth and buff until a protective coating is achieved.
