

## TECHNICAL DATASHEET

### **SUPREME RED**

#### **6" VELCRO DISC**

**ART. NO:** #144.140 - 144.157 (P40 - P3000)

#### **6" VELCRO DISC MULTIHOLE**

**ART. NO:** #144.180 - 144.197 (P40 - P3000)

#### **9X11" DRY SANDING SHEET**

**ART. NO:** #144.240 - 144.253 (P40 - P800)

#### **6" PSA LINKROLL**

**ART. NO:** #144.200 - 144.213 (P40 - P800)

#### **6" STICK-IT ABRASIVE DISC**

**ART. NO:** #144.275 - 144.288 (P40 - P800)

#### **70 x 50mm VELCRO VACUUM SHEET ROLL, PERFORATED**

**ART. NO:** #144.260 - 144.270 (P40 - P400)

#### **420 x 70mm VELCRO STRIP**

**ART. NO:** #144.160 - 144.170 (P40 - P400)

#### **2¾" x 25yds STICK-IT SHEET ROLL**

**ART. NO:** #144.462 - 144.470 (P40 - P240)

**Supreme Red** is a premium ceramic abrasive film disc engineered to provide the shop with consistent sanding and a fast cut rate. Our special cross-linked polyester film backing provides additional flexibility for contours as well as durability and tear resistance. Ideal for high speed and high-pressure sanding.

### **FEATURES**

- ✓ Premium ceramic grain on a unique cross-linked polyester film backing
- ✓ Special anti-clog coating to help repel dust, increase efficiency and extend abrasive life
- ✓ Flexible backing and tear resistant
- ✓ Fast and consistent sanding
- ✓ P40 - P3000 grit

### **SECTORS OF APPLICATION**

- ✓ Automotive
- ✓ Wood industry
- ✓ Composite industry
- ✓ General Industry
- ✓ Marine
- ✓ Aerospace

### **SUITABLE FOR USE ON**

- ✓ Non-ferrous metals
- ✓ Plaster
- ✓ Plastic
- ✓ Putty, Primer, Paint, Clearcoat
- ✓ Composite
- ✓ Copper / Brass / Bronze alloys / Aluminum
- ✓ Synthetic materials
- ✓ All wood surfaces
- ✓ Fiberglass
- ✓ Gel coat

### **PRODUCT DATA**

**Backing:** Crossed-Linked Film  
**Grain:** Ceramic & Aluminum Oxide  
**Bonding:** Double Resin  
**Coating:** Extra-Open  
**Grit:** P40 - P3000  
**Color:** Red Oxide
