

TECHNICAL DATASHEET

WET SAND WPS 9 X 11"

ART. NO: #136.684 - 136.693 (P400 - P2500)

Carworx WET SAND WPS is a waterproof abrasive suitable for sanding and finishing on multiple surfaces and materials including lacquers, paints, body fillers, metals and plastics. Made with premium quality grains on high quality paper, this sandpaper is ideal for manual wet sanding of lacquered surfaces between coats, fixing defects in the lacquer, removing orange peel, and spot mark repair, ultimately providing exceptional results in almost any situation.

FEATURES
